This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

AND OTHER DESCENTS OF FAMILIES NOT IN THE VISITATION.

EDITED BY

GEORGE JOHN ARMYTAGE, F.S.A.,

HONORARY SECRETARY TO THE SOCIETY.

LONDON:

1870.

CHARLES H. ATHILL,

College of Arms.

Preface.

Of the small county of Rutland there are but two Visitations, viz. one made in the year 1618, and the other in 1681–2.

The original of the first of these is in the College of Arms (marked C. 14), where there is also a copy with additions by Vincent. There are also copies in the British Museum, as mentioned below. The other Visitation (viz. that of 1681–2) is in the College of Arms (marked K. 1.). Of this, it is believed, there is no other copy out of that College.

The following volume contains the Visitation of 1618, with additions, and is compiled from the manuscripts in the British Museum that relate to that Visitation. The general text is taken from Harl. MS. 1558. The arms in that MS. are tricked by Richard Munday, and the descents are considerably extended beyond the period of the Visitation. The order of the pedigrees is taken from the Harl. MS. 1094, which is the same order as that in the College of Arms. The descents after page 26 are, however, not contained in this last-named MS., but are entirely supplied from the MS. 1558, and are probably copied from the additions made by Vincent in his own MS., now preserved in the College of Arms, as mentioned above.

The Visitation of Rutland in the Harl. MS. 1094 is written and the arms tricked by John Withie, and commences at page 230 of that MS.

For the convenience of the members of this Society, a list of the pedigrees in the Visitation of 1681 is here appended.

Barker of Hambleton and Lindon.
Beacham of Branston and Seaton.
Brown of Stockenhall and Clipsham.
Brown of Tolethorp and Uppingham.
Burton of Okeham and Eyton.
Busby of Barlithorp.
Fawkener of Stoke Dry, Braunston, and Uppingham.
Halford of Edith Weston.
Hippisley of Hambleton.

Horsman of Stretton.
Huggeford of Glaston.
Hunt of Barradon.
Johnson of South Luffenham and Clipsham.
Mackworth of Normanton.
Mathew of Okeham.
Noel of Brook and Whitwell.
Noel of Exton and South Luffenham (Viscount Campden, Lord Noel, etc.).
Pelsant (afterwards Buswell of Lidington).
Sherard of Whitsundine.
Wright of Okeham.

There are many references in the MSS. from which this volume has been taken to the Visitation of Leicestershire: these have all been carefully transcribed, and the number of the pages of that Visitation as printed in the second volume of the Society's publications has been inserted in brackets.

The Index has been compiled by Mr. F. R. Armytage, of Balliol College, Oxford, a member of the Society.

The Council has selected the Visitations of Oxford in 1574 *and* 1634 *to follow that of Rutland, and the Visitation of Nottingham in* 1614 *to follow those of Oxford.*

Report for the Year 1869–70.

On the 27th of March, 1869, two Members of the Society's Council invited several of their friends and correspondents to assist in the formation of a Society, having for its special object the publication of the Heralds' Visitations of Counties and other important Genealogical Manuscripts. By the 28th of May, fifty-eight persons signified their willingness to co-operate in the establishment of such a Society, and at a Special Meeting held on that day at 8, Danes Inn, the Honourable Henry Roper-Curzon in the Chair, the Officers of the Society were appointed and the Rules drawn out. The success that the Society met with was so great, that by the 28th of July no fewer than one hundred Members had joined, and from that time to the present this number has been gradually increasing, so that now it exceeds one hundred and seventy Members.

This great success may be attributed to the exertions of the several Members of the Council, and to the literary status of many of the original Members.

The Society has already published and distributed 'The Heraldic Visitation of London, taken by Robert Cooke, Clarenceux, in 1568,' edited by Joseph Jackson Howard, F.S.A., and George J. Armytage, F.S.A.

Camden's 'Visitation of Leicestershire in 1619,' edited by John Fetherston, F.S.A., will be ready for circulation in about a fortnight. This is a large work, and contains 207 pages of pedigree matter only. It will also include facsimiles of several of the signatures of the heads of families who entered their pedigrees at that Visitation, together with a very elaborate armorial and general index.

Sir George F. Duckett, Bart., F.S.A., has offered to edit a Visitation for the Society; and the 'Visitation of Nottingham,' to be edited by G. W. Marshall, Esq., LL.M., is ready for the press; and the three Oxfordshire Visitations are now being prepared by Mr. William Henry Turner, of Oxford.

The Society is now in a position to print Two Volumes a year, and it is hoped that the addition of another hundred Members will enable a third volume to be published; and it is believed that the issue of Three Volumes in return for the Guinea Subscription will place the Society in the foremost ranks of such Associations of this country.

The especial thanks of the Members are due to the Council of the Surrey Archæological Society for so courteously placing their Meeting-room at the disposal of the Harleian Council. Arrangements are now being made for the payment of a few pounds per annum to the Surrey Society, as it is considered desirable that this Society shall have a recognized place of meeting.

Harleian Society.
